Get ready to thrive on Cyberhive!

Cyberhive EUROPE® increases the global strength and recognition of the Europe cybersecurity market! Discover European cybersecurity solutions through our specialised matchmaking and learn from peer experiences in the community. It is the first digital marketplace created exclusively with and for the European cybersecurity market. Ran independently by ECSO.
Promotes European solutions and facilitates a **buzzing community**

Get listed in our regular **solution listing** using **end-user insights**

Find potential partners, **investments** or workforce

- **Owned and independently** run by ECSO
- Vendors get **40% or 50% discount** as label holder or *ECSO member*!
- Always **free for end-users** (and that will stay like that)
